IN THIS DOCUMENT:

- (a) "Amount Payable" means, at any time, all amounts payable by the Customer to WW at that time (whether or not those amounts have become due for payment under the Terms and Conditions) in connection with the Goods or the Contract (including, without limitation, any invoiced amount, interest, indemnity sums, costs or expenses);
- (b) "Contract" means the Terms and Conditions and, for an Order, the relevant Order Acknowledgment;
- (c) "Customer" means the customer specified in an application for commercial credit (or if there is no application, the person placing the Order, or on whose behalf the Order is placed, with WW);
- (d) "Guarantor" means persons named as Guarantor under the application for commercial credit;
- (e) "PPSA" means Personal Property Securities Act 2009 (Cth);
- (f) the terms "financing statement", "proceeds", "purchase money security interest", "security agreement", "security interest" and "verification statement" have the respective meanings given to them under, or in the context of, the PPSA;
- (g) unless otherwise stated, an expression used or defined in the Corporations Act 2001 (Cth) has the same meaning in the Terms and Conditions;
- (h) words indicating the singular include the plural and vice versa.

1. ORDERS, ACCEPTANCE AND TERMS AND CONDITION

- (a) An order or an offer to purchase of Goods must be made by the Customer in writing ("Order") and will be deemed accepted when the Customer receives an acknowledgement of the Order from WW or the delivery of the relevant Goods, whichever first occurs ("Order Acknowledgement"). In submitting an Order to WW constitutes deemed acceptance of these Terms and Conditions by the Customer.
- (b) In submitting the Order, the Customer hereby represents and warrants that it is (and will continue to be at all times while the Terms and Conditions are applicable) solvent and able to pay all of its debts as and when they fall due and payable.
- (c) WW may in its absolute discretion request that a deposit is paid as part payment of the Order on such terms and in such amounts as it deems reasonable.
- (d) The Terms and Conditions shall continue to apply unless otherwise agreed in writing or unless the commercial relationship between the parties is validly terminated indefinitely.
- (e) The Customer must supply full and complete technical specifications, drawings, designs and any other information relevant to their purchase, in conjunction with the Order. The Customer acknowledges that WW may rely on such information in supplying the Customer the Goods and will further indemnify WW in respect of its reliance on such information.
- (f) In the event an Order is cancelled by the Customer, the Customer must pay all reasonable costs incurred by WW in processing the Order prior to cancellation.

2. QUOTATIONS

- (a) All Quotations must be made to the Customer in writing and will expire in 28 days from the date of the Quotation. Quotations will not be construed as an obligation to sell but merely an invitation to treat and no contractual relationship will arise until there is an Order Acknowledgement of the Customer's Order.
- (b) WW is at liberty to amend, vary or withdraw a Quotation by written notice to the Customer, regardless of whether an Order has already been placed, at any time and for any reason it sees fit including where WW believes that there has been material changes in the Customer's business or circumstances under which the Quotation was first offered.
- (c) To secure a Quotation pending placement of an Order, the Customer may be required to pay a deposit and any reasonable costs incurred by WW in holding the Goods with respect to the Quotation. However, payment of the deposit is not deemed acceptance of the Quotation.
- (d) Unless otherwise made known to the public, all Quotations are strictly confidential and the Customer must not disclose the details of the Quotations to a third party, without prior written consent from WW.

3. PURCHASE PRICE

- (a) Unless where a Quotation has been accepted providing a specified purchase price, the purchase price for Goods supplied and charge rate for services rendered will be at WW's list price ruling as at the nominated date of delivery.
- (b) All prices are expressed net of any applicable goods and services tax, value added tax, freight charges and customs duty that shall be added to the amount to be paid by the Customer unless otherwise agreed.
- (c) Prices are subject to change without notice and are not binding on WW. Upon alteration of the price, the Customer may cancel any Order (or part thereof) at the new price within 5 days of WW providing notice of the change of price.

4. PAYMENT

- (a) For so long as WW has agreed to provide credit to the Customer under the Terms and Conditions and provided that such credit has not been otherwise withdrawn, refused or suspended, payment for the Goods must be made in full (without any set-off, deduction or reduction) and be received by WW within 30 calendar days from the date of the Sales Invoice.
- (b) Where any part of the Sales Invoice is in dispute, the balance will remain payable and must be paid when due.
- (c) Upon payment WW may apply such payment to any Amounts Payable in such a manner or priority as WW deems reasonable and further WW reserves its right to set off any amount due and payable by WW to the Customer against any amount due and payable by the Customer to WW.
- (d) Any failure to make due and punctual payment of the Sales Invoice will be deemed a material default and which entitles WW to terminate any Contract or suspend any further supply of deliveries.

5. INTEREST

Interest is payable on any Amount Payable not paid on or before the due date at a rate of 3% p.a. above the rate prescribed under the Penalty Interest Rates Act 1983 (Vic), calculated daily and payable on demand, plus an additional monthly administration fee of \$25 per month.

6. CREDIT

- (a) Any agreement by WW to grant the Customer credit upon the Terms and Conditions has been or will be made on the basis of a credit application and such other documents and information as may be required by WW and are provided to its reasonable satisfaction.
- (b) If WW exercises its powers to withdraw, refuse or suspend credit under clauses 6(c) or 14(b) or otherwise under the Terms and Conditions, WW will only supply Goods to the Customer on the basis of cash in advance.
- (c) The granting of credit does not oblige WW to extend any particular amount of credit to the Customer and WW may withdraw, refuse, suspend or limit credit to the Customer at any time, in its absolute discretion, without notice or providing any reason.
- (d) The Customer must notify WW in writing if there is any change in the shareholding or ownership of the Customer or any material change in the Customer's financial position.

7. DELIVERY

- (a) If requested by the Customer, and agreed by WW, WW will arrange delivery of the Goods to an address specified by the Customer, at the Customer's sole cost and expense.
- (b) In such cases, the Customer (or a representative of the Customer) must be present at the agreed place and time for delivery and must sign the delivery docket as acknowledgement that the Goods (and the quantities so described therein) have been delivered and comply with the Order.
- (c) WW's responsibility for delivery shall cease at the delivery address at which point the risk in the Goods will pass to the Customer. Either a certificate purporting delivery was effected signed by a representative of WW or a signed delivery docket (or both) will be deemed conclusive evidence of delivery.
- (d) If a Customer arranges for its own delivery, then the risk will pass when the Goods are loaded onto the Customer's nominated delivery vehicle and the Customer acknowledges that it will be solely responsible to arrange insurance in respect of the Goods.
- (e) WW shall not be liable for: (i) any failure to deliver or delay in delivery for any reason; or (ii) any damage or loss due to unloading or unpacking; or (iii) damage or injury to person or property caused upon entering premises to deliver the Goods. Any costs incurred by WW due to a failure by the Customer to accept the Goods at the time of delivery will be reimbursed by the Customer to WW.
- (f) WW may deliver in instalments where all such instalments will be separately invoiced and must be paid without regard to the delivery of the subsequent instalments. A partial delivery of an Order will not invalidate the balance of the Order.
- (g) WW will use all reasonable endeavours to meet agreed delivery dates (which may be varied by mutual agreement between the parties in writing), however WW will not be liable to the Customer for any direct, indirect or consequential loss or damage should it be delayed or prevented from delivering Goods or supplying services due to any circumstances beyond WW's control. Time is not of the essence in relation to delivery.
- (h) Subject to clause 7(f), where the date of delivery is postponed, the Goods in respect of the Order will be stored at the Customer's risk and WW reserves its right to impose a weekly storage charge plus a loading charge of 10% of the total Contract price.
- (i) Where the date of delivery is postponed for more than 2 months, WW may (i) increase any fixed contract prices to reflect WW's current list price; (ii) deem delivery is frustrated and sell any such Goods still in its possession; or (iii) seek damages for any loss incurred by WW as a result of the deferment in the delivery date.

8. TITLE AND RELATED MATTERS

- (a) The legal and equitable ownership and title to the Goods shall not pass to the Customer until WW receives full payment for the Goods from the Customer. Risk in the Goods passes to the Customer upon delivery or upon title in the Goods passing to the Customer (whichever is earlier).
- (b) Until full payment has been received, the Customer acknowledges that it holds the Goods as bailee for WW and a fiduciary relationship between the Customer and WW exists.
- (c) Subject to clause 8(d), the Customer must: (i) keep the Goods separate and in good condition as a fiduciary of WW, clearly showing WW's ownership of the Goods; (ii) keep accurate books and record recording WW's ownership of the goods and the Customer's sale or permitted disposal of the Goods; and (iii) if required by WW, deliver the Goods up to WW.
- (d) The Customer may sell the Goods, install or affix the Goods to other goods or property ("Accession") or otherwise dispose of the Goods in the ordinary course of its normal business, provided that the Customer holds the proceeds of sale on trust for WW to the extent of the Amount Payable. The Customer must hold such proceeds separate on trust for WW and not mix those proceeds with any other monies.
- (e) The Customer grants to WW a security interest in the Goods to secure payment of the Amount Payable, where the security interest extends to and continues in all proceeds and/or Accessions; and is a purchase money security interest to the extent that it secures payment of that part of the Amount Payable being the aggregate unpaid purchase price of the Goods supplied to the Customer.
- (f) The Customer must not do or permit anything to be done that may result in the purchase money security interest granted to WW ranking in priority behind any other security interest.
- (g) The Customer: (i) waives the right under section 157 of the PPSA to receive a copy of the verification statement verifying registration of a financing statement or a financing change statement relating to a security interest created under the Contract; and (ii) contracts out of its rights to receive any other notice or statement under any other provision of the PPSA (including for the avoidance of doubt, any of the provisions specified in paragraph (b)).
- (h) To the fullest extent permitted by the PPSA, the parties agree to contract out of sections 95, 117, 118, 120, 121(4), 125, the second sentence of section 126(2), sections 129(2), 129(3), 130, 132(3)(d), 132(4), 135, 142 and 143, which sections (or parts of sections) shall not apply.
